Directions to Wyeth-Scott Co.

Hours: Monday – Friday 8:30 to 5:00 ET

Our address is: 85 Dayton Road NE Newark, OH 43055

You can look our address up on the internet, or use GPS, to get the details you'd like. However, many show us on the south side of State Route 16 or further north than we are. We are on the north side, 1st driveway on the left.

What ever direction you would be coming from, you need to get on State Route 16.

If headed east on State Route 16. We are east of Newark. You will turn left (north) on to Dayton Road. There is a light there and a Wendy's/BP Gas station on the north side. Turn down Wendy's/BP Gas driveway. We are the last building on the left. If you pass "the basket" on SR 16, you've gone too far.

If headed west on State Route 16 from Coshocton, etc. Immediately after "the basket" turn right (north) at the light on to Dayton Road. There is a Wendy's/BP Gas station on the corner. Turn down Wendy's/BP Gas driveway. We are the last building on the left.
